Subd to Secy for orders as to whether the recommended increase may be sanctioned.

Sanctioned 21/4/97

It is not necessary to have to recommend alteration in the scale

Sanctioned in August last. But the circumstances of this case are peculiar and the Jail cannot afford to lose a good matron - The increase recommended is very small & may be sanctioned - C

General and Revl Depts

Sir,

I have the honor to forward for the favorable consideration of Government copy of letter No 1133 dated 6th April 1897, from the Superintendent, Bangalore Central Jail, with its enclosure in original and to state that No 40 Regal was appointed Matron of the Bangalore Central Jail in the year 1895 on Rs 25 per mensem. She urges that, as she was obliged to insure her life under Government Rules, she only gets 22 1/2 per mouth which (she states) is not sufficient for her maintenance. She is reported to have discharged her duties satisfactorily.

2. The Superintendent states that the continued changes of Matrons will affect the discipline among the female prisoners and recommends that the pay of the Matron may be raised to Rs 30 as the present pay is not sufficiently attractive and it is very difficult to procure a good Matron for that pay.

3. Considering that all in the Central Jail establishment except the Matron have had increase to their pay by the recent revision of the Jail establishments, I support the recommendation of the Superintendent that the pay of Rs. Regal be raised to Rs 30 and request the sanction of Government to the same.

I have the honor to be,

Sir,

I have the honor to enclose a petition from the Matron of the Central Jail for an increase of pay and to recommend the same to the amount of Rs 5 per mensem for the following reasons:- The present Matron Mrs Regal has put in over two years service in the Jail and has given every satisfaction, and I am afraid that unless she now gets an increase of pay we may possibly lose her services as the sum of Rs 25/- per mensem, the present pay, is not sufficiently attractive and it is very difficult to procure a good Matron for that pay, we should probably be unable to procure as good a Matron as the present one should she leave the Jail.

Sir,

With reference to my petition of November last praying for an increase to my salary on the ground that I was the only Employe of the jail who had not received an increment in the late Re-organization, I beg that you may now be pleased to take my Case into your Kind consideration and recommend me for an increment. I may here state that I have now rendered 26 months service

in my present situation, And that I have been compelled to insure my life in the State Insurance Fund which virtually lessens my salary by the sum of Rs 2-8- monthly. Begging to be excused for thus intruding on your valuable time and thanking you in anticipation,

I beg to remain.
